Luxembourg

Europe and North America

If historic trends continue, the world won’t achieve gender equality until 2108.

How is Luxembourg performing on gender equality in the SDGs?

The SDG Gender Index covers 144 countries, 98% of the world’s girls and women, and 14 of 17 Sustainable Development Goals. It includes 56 indicators capturing gender-related measures across the 2030 Agenda.

2015 Index score | 2020 Index score | Global Rank | Regional Rank
---|---|---|---
86 | 87 | 9 | 9

Good | Good | No progress | out of 144 countries | out of 45 countries

If current trends continue, a girl born this year will not in her lifetime see that all women in Luxembourg say they feel safe walking alone at night.
